

N. 20th St. Access Restrictions

Beginning July 9, the pipeline will be bored under Glendale Avenue to minimize impacts on traffic. To accomplish this, two pits will be excavated, one on each side of Glendale Avenue, one to install the leading end of the pipe and the other to receive it. **Access from N. 20th St. to E. Glendale Ave. will not be available starting Thursday, July 9, 2020.**

- Use N. 19th St., N. 21st St. or E. Ocotillo Rd. as alternate access.
- Through traffic on E. Glendale Ave. will not be restricted.
- This operation will take approximately two months.

Work Hours

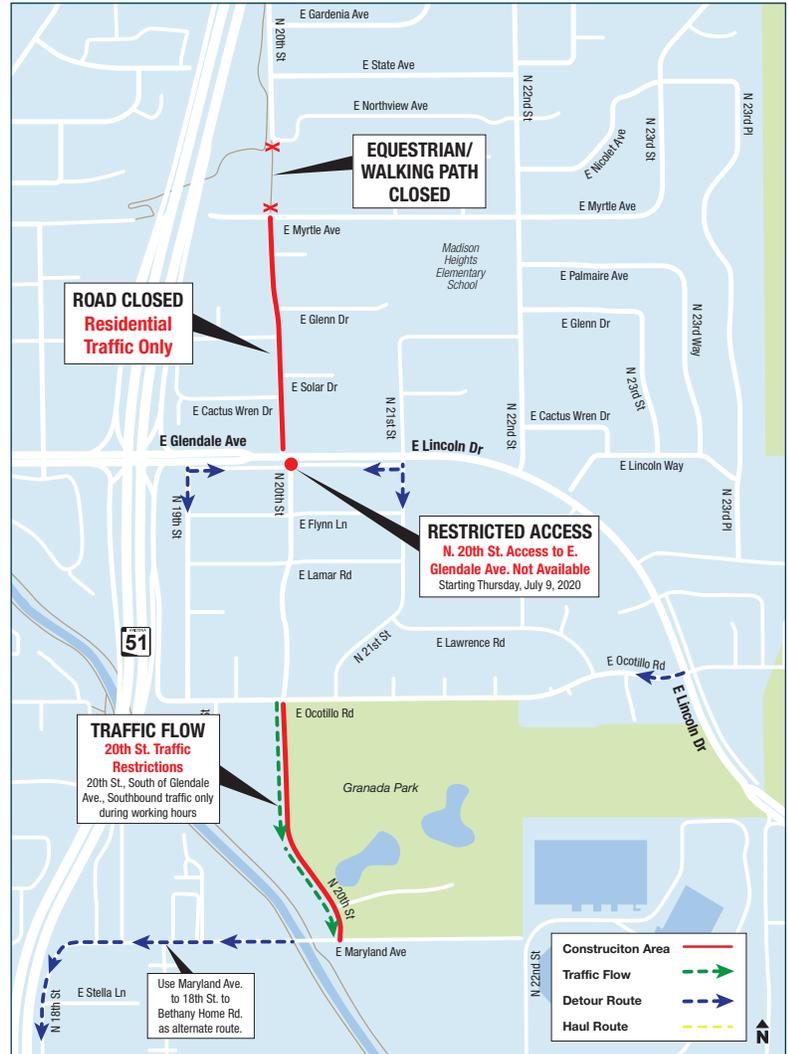

**Monday - Friday, 6 a.m. - 4 p.m. and
Saturday, 7 a.m. - 4 p.m.**

Work will be on N. 20th Street from E. Ocotillo Rd. to E. Maryland Ave. and E. Glendale Ave to E. Myrtle Ave and includes removing rock and preparing the area for installation of pipe.

- Residential and business access will be maintained.
- Every effort will be made to minimize disturbances.
- Please drive safely through the construction zone, and thank you for your patience and cooperation!

Equestrian Trail and Walking Path Closed

The equestrian trail and walking path is closed from E. Myrtle Ave. to E. Northview Ave. where clearing and grubbing of trees has occurred to prepare for pipe installation. This path will be closed until late 2020, throughout the duration of the 48" pipeline installation.
